

The Staff Of St. Brigid's

Ms Mc Gowan has curly hair

And when we misbehave she doesn't give us the stare

She comes into the class graceful as can be

Looking for her group to help with their literacy.

Miss Mc Hugh conducts the choir

She wants our voices to be higher

She works in the garden most of the days

She talks in lots of proper ways.

Mrs Keane has the infant class

She so softly spoken, you barely hear her pass

She has the student council in her hands

And she always informs us of their plans.

Mrs Heslin wears nice clothes

And wearing her sandals she shows her toes

She gets Chris to help with technology

She also has trouble pronouncing meteorology.

And then there's petite Mrs Glancy,

Always up to date and looking very fancy.

You coordinate the Green Schools but never brag.

And thanks to you were on our sixth flag.

Mr Mc Kiernan always likes to be right

Keeping his word with all his might

Mr Mc Kiernan is very active

Do all the girls think he's attractive?

Well Mrs Mc Chongaile, you love your Irish

And you're always looking very stylish,

No need to shout, the whistle's round your neck

And you always keep your class in check.

Mrs Mc Gourty is organised and always on the ball

We always hear her high heels coming down the hall

"are these folders ticked off?" we hear her say

We don't know what we would do without her at the end of the day.

Then there is lovely Mrs Mc Weeney

She arrives in our class room with nice cups of tea

She really looks after Muiris so well

And always on yard if you have something to tell.

Mrs Scott has nice blond hair

She always cold so her arms are never bare

She minds Caolán and Robin with such good care

Her boots are nice and she's kind and fair

Mrs Tiernan is a great basketball coach
And is always on yard, easy to approach
She comes from Roscommon and likes football
Her local parish is St. Michael's Cootehall

Mrs Rowley plays football for Annaduff
She calls James her cup of tea, but we think he's had enough
She comes through our class with tea at break
She makes powerpoint presentations so we don't make a mistake.

Last but not least our principal Mrs White
She is quite strict and likes things done right
However, she always tries to be fair
And about each student she really does care.

A Huge Thank Youto all of these people who have helped make our time in school enjoyable!

6th Class 2013
